But, current events in Europe with Lloyd's in London offering odds of 5 to 1 that there will be war within six months, or so we hear, warrant stressing the definite policy of our nation, that we WILL NOT allow ourselves as a nation, to get mixed up either materially or financially in another war in Europe.

A frank declaration of adhesion to the farewell address of Washington issued to the world today by president Roosevelt, would tend to calm

**"This Fertilizer
has been Field Tested
in the Tobacco Field"**

Do YOU know what that means? It means that when you use Royster's Tobacco Fertilizer you know ahead of time that it has stood the test of time—in the tobacco field—for nearly 50 years! It means that we have checked the way it stays with the plant, ripens it evenly and holds it on the hill, under actual growing conditions. It means that Royster's will help you get the kind of leaf the buyers want.

Don't take any chance when you buy your fertilizer. Remember this: Royster's is made in one quality only—the best. You can pay more or you can pay less, but you cannot buy better fertilizer for growing tobacco.

Royster experts are continually studying tobacco, learning all there is to know about fertilizing it. They never stop experimenting and improving. They test every fertilizer in the laboratory, then field-test it in the tobacco field. Only refined materials are used to make sure that the purest obtainable go into Royster sacks. As a result, we know that Royster Tobacco Fertilizer will give you the results you want.

See your Royster dealer today and let him know how many tons you need.

Got Over Weir,
Painful Condition
By Taking Cardui

"I was weak and run-down and suffered quite a bit with pain in my side," writes Mrs. Nick Burman, of Beaumont, Texas. "I was nervous. I did not rest well at night, and my appetite was poor. My mother had used Cardui with beneficial result, so I decided to take it. I surely am glad I did, for it stopped the pain in my side and built up my general health. I took seven bottles in all. For over 50 years, Cardui has been helping women just as this Texas lady describes above. Cardui is sold at all drug stores."

It costs money to be sick. You see it directly if your pay envelope is short. You lose out on some important work if you are on a farm or if you are one of the few who are not docked for lost time. You can't afford to show up on the job unless you are feeling fit. The boss wants results—not excuses.
